

which was found among Mikota's effects.

"The impression I saw in the car," said Sergeant, "was as if some one was holding something like a revolver in his hand, and had slipped in going up the incline."

The Cross-Examination.

The witness was then cross-examined by Mr. Newell.

"The impression in the mind," he said, in answer to a question, "was made by a right hand. The child and myself went up to see if an impression was made by the revolver was found. I took the child with me, because you might say I put it there myself. The scuffling in the plank was 2 or 3 inches."

The Chief Justice.—"The chief of police has a revolver in the trunk. I must have seen it in the trunk."

"I don't know what the impression of the Union bank said about the handwriting on the letter, but I think it is Mikota's writing. My experience might not be as large as the secretary's."

"I found Mikota's trunk at Wotak's house because he had told me it was there. I found a revolver in the trunk but he did not see it."

"When I took the trunk down the incline where the shooting took place, I made an impression in the sand which was near by. I only made a very slight impression. The sand would hold the impression."

Another Police Employee.

Frederick Elzeck, who has been in the employ of the police department, stated that he had been told to go down by Sgt. McDonald to the house of General, the next day after the shooting, and inquire if he found any of the shoe with the footprints. They seemed similar. He then returned the shoe to Sgt. McDonald.

Said He Would Shoot General.

Towner, of Harry, near Vegreville, a relative of Mikota, called on him to see him with Mikota with regards to the trouble between him and General. On several occasions Mikota said that he would shoot General, the number of times he was talking past General's house in Edmonton, and as they stopped in front Mikota put his hand on his pocket. I stopped him and said: "Don't do that while I am with you." Mikota replied: "How easy I could get my hand on the trigger."

To Mr. Newell the witness admitted that Mikota had accused his wife of assisting to drug his Mikota's wife.

"And your wife and yourself have lived in for him ever since?" Mr. Newell continued.

The witness continued re-assured that there was no bad blood between himself and his wife, and that this ended the case for the prosecution. Mr. Newell remarked if there was sufficient evidence to go to the jury he would call his defence.

"The chief justice: "It is not a question of sufficiency."

Mr. Newell: "I don't think there is any evidence at all."

The Chief Justice: "There is undoubtedly some evidence."

The Case for the Defence.

L. S. Ellerman, of the Alberta Cattle Co., said he had seen Mikota several times on the day of the shooting. He came in through the kitchen that night about half past ten. This was the last he saw or heard of him.

Defence Plays Tramp Card.

Mr. Johnson, husband of the preceding witness, was the last witness, and he was the tramp card for the defence. He swore that he slept with Mikota, on the outside of the bed, the night of the 4th of July, and that he saw Mikota in the shooting. Mikota came home at twenty minutes to eleven, and stayed in the house all night.

To Mr. Cowell: "I am of the opinion that Mikota was not a partner in the crime of Mikota."

Mrs. Johnson, of 155 Elizabeth st., where she kept a boarding house, stated that she had seen Mikota on the 4th of July. He came in through the kitchen that night about half past ten. This was the last she saw or heard of him.

STRATHCONA NEWS

YOUNG LIBERALS' CLUB.

Another meeting of the recently organized Young Liberals' club will be held in the Strathcona hall next week to complete organization. The president, R. P. Lewis, has just returned from British Columbia and will take active measures to secure still larger membership to this promising association of young men. It is expected that the new room in the Hamilton block will be completed in about two weeks' time and will then at once be opened for the club.

CONSERVATIVE CONVENTION.

A meeting of Conservatives of Strathcona was held last night in the Masonic hall. Delegates were selected to attend the Conservative convention at Wetaskiwin on December 2nd. The delegates are chosen pro rata, one delegate to each five members. Already 22 have been selected and as a membership of the association is now being enlarged by means a second meeting will be held in two weeks' time to make further appointments.

WILL EXPROPRIATE.

It is altogether probable that the city of Strathcona will proceed to the expropriation of the land now owned by the Strathcona brewery by which the present connection with the main sewer is held up. The tract of land now owned by the brewery is about thirty feet in width and it was suggested that Mr. Anderson would sell, but this he afterwards refused to do. A conference was held yesterday morning between a committee of the council and Mr. Swoboda, manager of the company.

As a matter of fact, the defendant, I had kept with Mikota every night all night he was in the house. I am a weakly woman, and I was awake when Mikota came in. He was talking to me and I was listening. He was talking to me and I was listening. He was talking to me and I was listening.

A Discrepancy.

Incidentally the witness was asked by Mr. Newell if Mikota had home tonight. "He came at twelve o'clock sharp today."

"What time did Mikota get home tonight?" "He came at twelve o'clock sharp today."

"He came at twelve o'clock sharp today."

SPORTS NEWS

THE SWEETS (1) OF VICTORY.

(By Jim Corbett.)

I always caught in the eye of the man I was training the expression of the man who knew he was being tickled; a hunted, desperate expression; a wounded, hurt expression; and when I caught that baffled and pathetic expression in the eye of a man whom I was beating and striking and blinding with his own blood, I went to go on record as saying now, after it's all long over and done away with, that I felt like a miserable brute, a bully unit, to live, and the whole thing sickened and raked up beyond measure. That's how I always felt about it. I felt ashamed of my self-ashamed of being where I was, of doing what I was doing, ashamed of the mad shouts around the ring to go in and kill and slaughter the poor devil already reeling toward his death; ashamed of the whole infernal boresome situation from the beginning to the end.

WILL NOT LET BURN RUN.

Calgary, Nov. 7.—W. Norman, an old Canadian and who is now acting as the representative of John D. Marsh, of Winnipeg, is in town. Yesterday he appeared Jimmy McLean, Art. Burns' friend, with two making some arrangements for a match in Calgary between Burns and Marsh. McLean, however, was very decided upon the matter and emphatically declared that no such proposition could be given the least consideration. It was suggested that the mention of the C.A.A.U. might be of some service, but Jimmy couldn't see it that way. He intends to exercise the utmost care in guarding Art. Burns' amateur status, and as he remarked, "I wouldn't allow my man to undergo at the same moment as Marsh." This settles the matter.

TEAM FOR EDMONTON.

Calgary, Nov. 7.—The Rugby match between the Calgary and Edmonton teams will take place at Edmonton on Saturday afternoon next. At a meeting of the Calgary team held last night, it was decided to accept Edmonton's proposition. The team will be selected after the practice tomorrow afternoon from the following players: Miller, Hamilton, Allan, Gray, Drury, Strickland, White, Dewitt, Atkinson, Evans, Ward, Brown, Baistree, Kemp, Robertson, Douglas, Sowers, Graft, Dunphy, Nelson, Wyseman, Haig, Ferguson, Bruce, Harris, Popler, Jamieson, McHugh, Head, Stewart, Parker, Whitaker, Fraser.

NO TEAM AT MICHIGAN SOON.

South Sea, Mar. 10, Nov. 7.—Secretary M. Laughlin, of the Canadian Soccer team, of the International League, today received news from the Michigan Soccer team that they had thrown up hockey, and there would be no team in the Michigan Soccer season. This decision on the part of the Michigan team, was followed by messages from the Upper Country to the effect that it had been deemed advisable to drop professional hockey there for a season.

SPORTING BRIEFINGS.

The baseball fans in Toronto are talking of Jack White for manager of their team in 1908.

Peterborough, by reason of their victory over Victoria at Lindsay will go into the senior O. B. F. U. finals with the winners of the Kingston-Lindsay district.

It is estimated that the new half-mile race track in the Victoria Park, Calgary, will cost about \$100,000 more than at first expected. It will be almost three weeks before the track will be in anything like suitable shape for use.

For the first time association football in Portland has risen to the dignity of other sports and is experiencing this fall a veritable boom. When two years ago it was impossible to muster a full eleven in men are playing the game now and a city league of four teams is in process of formation.

John (Tip) O'Neill states that he will probably go to Havana with the Chicago White Sox, who will spend six weeks in Cuba, leaving about Dec. 1st. It is doubtful if Tip will be seen at home this winter, as he has been offered a lucrative position in the West, and is thinking of accepting if he does not go south with the Sox.

"Chances" Elliott is probably the best known man in football today. Queen's Argonauts, Hamilton and Montreal have been under his care in the last few years. Every time he advanced to the touch lines in Toronto at the last year he was called back by a roar from the bleachers, and several times he had to give up his attempt to shout orders to Montreal.

The Australian horse, Great Scot, by Lochiel-Scott Mary, is on his retirement from the turf to occupy Blair Athol's old box at that famous English breeding establishment, the Cobham place. "Scottie" was the Australian cup two viceroys' cups in India and two times in England—a remarkable record. His sire, Lochiel, was a son of Prince Charlie, bred in England and sent to Australia, while his sire came to America.

A challenge was issued to the winner of the Laidlaw contest by an American hunter, named White, who is reported to have come up to Calgary from the States especially for the purpose. However, the chances for him meeting Lochiel have received their deathblow as he is ten pounds heavier than the Scotchman. Laidlaw says he is willing to meet anyone in Canada or the Western States on 100 pounds, upon reasonable conditions.

Harold Parsons who ran fourth in the Hamilton Herald road race, was the pride of the west, and many of his friends went down to see the race, while the towns of Norway, where he lives, was also well represented. Parsons had

all the assistance a runner could wish for. He had Billy and Jack Sherring as pacemakers, and right here it might be mentioned that two better pacemakers never were a shoe. They know every inch of the course and both have had wide experience in road running and know what a runner is capable of doing. Parsons, like many others, was unable to hold the early pace, but he made a brilliant showing in the last part of the journey, and finishing first. All Parsons needs is a little more experience and he will be a real runner that will trouble them all to boot.

BROWN FOR A HORSE.

Cincinnati, O., Nov. 8.—A horse deal that will be the greatest ever known in America, if it is consummated, is pending between James H. Brown, of New York and Barney Schriber, Missouri's famous turf man.

Major Dunderberg, Mr. Brown's brother-in-law, arrived at Cincinnati last night with the object of purchasing for the New York millionaire's Castleton farm in Kentucky the important stallion, Sain, which has stood so many famous horses at Schriber's establishment near Lexington, Mo. One hundred and twenty thousand dollars for Sain is the offer. Brown's representative is a Canadian, Mr. St. Louis, where they will go to Schriber's Woodlawn farm near Lexington for a thorough inspection of the stallion.

TO JOIN THE C. A. A. U.

Hamilton, Ont., Nov. 8.—There is a movement on foot in Buffalo, N. Y., among athletes there, to cut loose from the National Amateur Union and affiliate with the Canadian Union. The matter will be brought to a head in a short time. The Buffalo athletes must always draw their material from Toronto and Hamilton, and as these men are not barred by the A. A. U. the only way is to cut out from the Americans and join the Canadians. The Y.M.C.A. of the Garrison athletes are moving in the matter.

A PROFITABLE SEASON.

Toronto, Nov. 7.—The annual meeting of the shareholders of the O. J. C. was held last night. The past season's racing had been a most successful one. The Ontario Jockey Club had distributed \$100,000 in the 20 days of racing at 28 different times and seasons. It was a good clean sport was enjoyed. It was a source of much congratulation to the directors that the Ontario Jockey Club, on an open handicap at 2 1/4 miles, should have again been won by a Canadian-bred horse, in fact Canadian-bred, which first and second in the race, which demonstrated very clearly that we are breeding a horse in Canada which could both gallop and stay. Mr. Seymour felt sure the annual statement which would be presented would be considered a satisfactory one by the shareholders. The following were elected directors: Joseph E. Seymour, M.P., Waterloo, president; H. B. Oler, M.P., Toronto, vice-president; second vice-president: D. W. Alexander (Toronto); R. J. Christie (Toronto); J. S. H. Hendrie (Toronto); Andrew Smith (Toronto, chairman); George W. Ferguson (Toronto), executive committee.

KELLEY OFFERED \$200.

Toronto, Nov. 7.—President McCaffery of the Toronto Baseball club arrived here yesterday from New York. The announcement that Joe Kelley has signed a three-year contract, if the Toronto management wish to retain Kelley they will have to come up to Boston's terms, and as there is not much chance of this, Kelley, it can be safely said, is hailed for the Braves. Mr. McCaffery, while in New York was busy in search of a manager, and already three big league men are after the job, two players and a bench manager—presumably Ned Hanlon. Mr. McCaffery will have a conference with one of the probabilities of Buffalo. At the moment in the Eastern League circuit the Ambush City will have a good chance of securing the franchise. George Hallings, the former Buffalo manager, will break into the game again, possibly as manager of one of the New York teams. The Toronto club and three players, as follows: William Pounds, to Harrisburg; Buck Connor and Roy Tono, to Little Rock.

FIVE MILE RECORD BROKEN.

Toronto, Nov. 7.—The five mile bicycle track record for Canada was lowered at the exhibition grounds here yesterday by MacDonald of the Queen City Bicycle Club. The former record, made eight years ago by W. MacDonald, was five minutes and 25 seconds, breaking the record by 41 2/3 seconds. When W. MacDonald's record he was paced by motorcycle, but he was at a disadvantage, as the track was in a condition that he had to rule well out from the middle, which added a considerable eighth mile to the distance actually ridden. A strong wind on the back track was a further handicap. The record was made shortly after 3 o'clock in the afternoon, in the presence of seven witnesses and times, R. A. Dunge represented the W. A. and R. Falconer represented the O. C. B. C. The other witnesses were: H. A. Cox, E. A. Ford, R. H. Green, W. Macdonald and W. Williams.

STANFORD WINS AGAIN.

Stanford University, Nov. 7.—Vancouver again went down to defeat before the Stanford varsity by a score of 5 to 3. The game was close and hard fought throughout and neither side had any material advantage. Holman and Fenton were the stars of the game. Holman and Simpson were conspicuous for the victory. Simpson scored for Vancouver in the first half on a short kick from the forty-five yard line. The ball was kept in Stanford's territory during the remainder of the first half, but during the second period the Cardinals took a leave, Fenton scoring, which which Fenton captured. The last field of

either team had little to do, as the play was all done by the forwards.

SHRUBB CHALLENGES BURN.

Winnipeg, Nov. 7.—Alfred Shrubbs, the world's champion long distance runner wishes to race Arthur Burn, Calgary's long distance runner, from two miles up to a mile, Shrubbs will run Burn on his own track at Calgary if he wishes.
